Dear Friend of Buffalo Prep,

When Daniel was just 5 years old, his mother suspected he was gifted. By the age of 9 his teachers thought so too. They gave him extra work to keep him busy.

Daniel's mother, a single mom with nine other children, knew he was bored, but what else could she do? All of the other kids they knew attended the same neighborhood schools. That's just what everyone did.

One of Daniel's teachers saw his potential and recommended he apply to Buffalo Prep. He applied and was accepted. Daniel attended classes after school and on the weekends. He was challenged beyond anything he had ever experienced - and he loved it!

Buffalo Prep opened Daniel's eyes -and his dreams- to educational opportunities he never knew existed. He earned a full scholarship to attend a very competitive high school and was accepted to colleges all over the country.

*"No matter what, no one can ever take your education away from you."*

Buffalo Prep is full of students with compelling stories, just like Daniel's and your support has helped us give those students something that no one can ever take away - *an education beyond expectation.*

Your continued financial support is crucial to help Buffalo Prep achieve its goal of providing educational choice and opportunity to hundreds of promising young students each year. Since we do not charge tuition and do not receive government support, Buffalo Prep needs your help to raise its annual operating budget of almost \$800,000. Funding is critical as we work to provide a full range of academic, personal development, and college counseling opportunities to promising young people in our community.

**We invite you to join us in our mission. We hope you will consider a gift to help sponsor a Buffalo Prep student. With your help we can change lives—one student at a time.**

Please sponsor a student from Buffalo Prep.

Your gift today will change a life forever.
